Watermelon Marian Keyes

At twenty-nine, fun-loving, good-natured Claire has everything she ever wanted: a husband she adores, a great apartment, a good job. Then, on the day she gives birth to her first baby, James visits her in the recovery room to inform her that he's leaving her. And he hasn't even had the decency to leave her for someone glamorous; just the frumpy woman who lives in the apartment downstairs...

Claire is left with a beautiful newborn daughter, a broken heart, and a body that she can hardly bear to look at in the mirror. Until quite recently especially when wearing a green maternity jumper that was the only thing left that fit her--she felt she bore an uncomfortable resemblance to a popular summer fruit.)

So, in the absence of any better offers, Claire decides to go home to her family in Dublin. To her gorgeous man-eating sister Helen, her soap-watching mother, her bewildered father. And there, sheltered by the love of an (albeit quirky) family, she gets better.

A lot better.

In fact, so much better that when James slithers back into her life, he's in for a bit of a surprise.

In this very funny, very fresh, very wise novel, Marian Keyes delivers an unforgettable debut--and a heroine so irresistible that she feels like a new best friend.

Katherine Sherrer:

This Watermelon is great publication for you because the content which can be full of information for you who all always deal with world and have to make decision every minute. This particular book reveal it data accurately using great coordinate word or we can claim no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tough core information with wonderful delivering sentences. Having Watermelon in your hand like having the world in your arm, info in it is not ridiculous one particular. We can say that no reserve that offer you world inside ten or fifteen moment right but this reserve already do that. So , this is good reading book. Hey there Mr. and Mrs. stressful do you still doubt that?

Kenneth Quisenberry:

That reserve can make you to feel relax. That book Watermelon was bright colored and of course has pictures around. As we know that book Watermelon has many kinds or variety. Start from kids until young adults. For example Naruto or Investigator Conan you can read and believe you are the character on there. Therefore not at all of book tend to be make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book in your case and try to like reading in which.
