With clear writing and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of the Future* explores the fulfillment of Scripture—the bodily return of Christ. Topics include but are not limited to the primary views of the Millennium (thousand years): Amillennialism—the reign of Christ is now being fulfilled; Postmillennialism—Christ will return after the millennium; Premillennialism—Christ will come back after the millennium. Whichever view the reader subscribes to, the end result is clear: there will be a sudden, personal, visible, bodily return of Christ. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of the Church* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.
