Angel Roberts has embraced her new faith, but past memories remain fresh. When her beloved grandmother suffers a stroke, Angel sets out to investigate a mystery that has created family tensions and lingered since she was five years old: What happened to her mother?

She teams up with investigative reporter Wes Cade, a man obsessed with the remaining memories of grandfather, who is stricken with Alzheimer's. As Angel lets her guard down with Wes, his determination to get the story could push her to the edge. Is his interest in her or the story?

Angel must conquer her fears to find the truth. Unbeknownst to her, someone close is working feverishly to stop Angel from unlocking the truth of what really happened to her mother. Who will win?
