An Article on Pest Resistant Vines George Husmann

This antiquarian book contains a detailed treatise on pest-resistant grape vines, with information on selection, general care and maintenance, planting, grafting, pruning, and many other related aspects. Carefully selected for a modern readership, this accessible handbook contains a wealth of timeless information on the subject, and will be of considerable utility to the budding gardener and fruit grower. Many antiquarian books such as this are becoming increasingly rare and expensive. It is with this in mind that we are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new introduction on wine making.
