A collection of short stories and poems resurrect the spirit of the Gothic Blue Book. Gothic Blue Books were short fictions popular in the 18th and 19th century. They were descendants of the chap book trade. Burial Day Books presents its first Gothic Blue Book, The Haunted Edition. The following twelve short stories and two poems honor the Gothic story. Misery, fear, despair, regret and dread are highlighted in the following pages, stirring old ghosts, witches, and awakening death. The following collection of new and established horror authors weave together brilliant tales of terror celebrating the history of the Gothic story with a new twist.
