Mind Invaders Dave Hunt

THE COLD WAR FOR PSYCHIC DOMINION HEATS UP. Ken Inman experienced an exhilaration beyond his wildest imagination. He had made contact! Excitedly he listened: “We’ve been watching your development—we’re here to help you take the next step. Open up. There’s nothing to fear.” Spine-tingling action follows this incredible breakthrough in mind research. Opening doors to the unlimited vistas of the mind, the Archons share their gift of psychic power, promising a new era of peace. But then governments get involved... Discovering the CIA and Russian Intelligence’s battle for psychic control, famed journalist Carla Bertelli delves into the power behind the Archons. Convinced they are benevolent, she is devastated when Ken renounces the paranormal and embraces Christianity. Torn between her love for Ken and her contempt for his “demons theory,” Carla plunges into a search for the truth that becomes a desperate race against time...
