Nothing has been easy for Nila since the fire that claimed her husband's life. Unable to complete her education in the U.S., Nila returns to India, where she resorts to dancing in a bar. Being a widow and single mother is hard enough, but being accused of her husband's murder has made life almost unbearable. When she runs into Malcolm, a handsome, womanizing, and ambitious acquaintance from her college days, a friendship emerges that sends Nila on a journey of self-discovery.

Nila's mother-in-law is still determined to have her incarcerated for murder, and Malcolm and Nila soon find themselves drawn into a battle of good versus evil. Malcolm feels torn about jeopardizing his future and his fortune because of Nila's problems. His conflicted feelings make him the perfect target for the rich American runway model who attempts to steal his heart.

Nila must re-evaluate her relationship with Malcolm, and her newly found faith is tested. When the heat is turned up, will Malcolm and Nila be able to overcome their conflicting cultures and ambitions to finally find real love, the kind that only comes from God?
