The Price of Nice John E. Bradshaw

The price of nice is about your own life, and not really being connected with others, says noted New York Times Best Selling Author John Bradshaw. Nice people often finish last in many ways. In this powerful lecture, **THE PRICE OF NICE**, psychologist John Bradshaw exposes the hidden and frequently destructive forces behind the facade of being the nice guy, a people pleaser and co-dependent. This lecture is for people who use nice as a disguise to cover shame, and uncovers the dishonesty, selfishness, and resentments that build as a result and prevent us from being honestly connected with others. From our earliest years we are rewarded with acceptance for being nice while being denied the expression of our true feelings and our authentic selves, ultimately, becoming an actor playing the role of nice guy or sweetheart. In its destructive form, this repression of self can erupt into rage, spontaneous acts of violence, or can be internalized in the form of emotional

Playing with family inside a park, coming to see the water world or hanging out with close friends is thing that usually you will have done when you have spare time, in that case why you don't try thing that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Price of Nice, you can enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its referred to as reading friends.

Lesley Dwyer:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Price of Nice can make you sense more interested to read.
