Watch for a Cloud of Dust J. McCormack

The title of this book, Watch for a Cloud of Dust, came about because of a former employer of Dr. McCormack, Dr. Max Foreman. Dr. Foreman, an enthusiastic and excellent veterinarian, worked at a fast pace and believed in making farm calls quickly. "Hang up the telephone and watch for a cloud of dust!" he often loudly exclaimed to a client requesting emergency service, before he sprinted to his truck and raced to the farm. Dr. John started writing short newsletter articles on livestock health when he was a member of the Georgia Extension Service staff. His belief that all farmers and veterinarians have similar humorous experiences led to his stories in HOARD'S DAIRYMAN magazine about Carney Sam Jenkins, a calf named Meathead, and Sherman the bull. He believes that we all need to learn how to laugh at ourselves occasionally.
