International Dispute Settlement J. G. Merrills

A completely updated edition of a definitive survey of the peaceful settlement of disputes--a key aspect of international law and international relations. Many methods of handling such disputes have been developed, and this book explains what the relevant techniques and institutions are, how they work and when they are used. This new edition deals with many current developments, including the latest UN peace-keeping operations, the work of the WTO and of the International Tribunal for the Law of the Sea, and the latest case-law of the International Court of Justice.
