Learning How to Learn

L. Ron Hubbard

Learning How to Learn L. Ron Hubbard

Learning is fun when you know how. It is only painful when you hit the three barriers to study and don't know what to do about them.

These three barriers are the only reasons a child gets distracted or can't concentrate. They are enough to make a slow learner out of any child. The breakthrough is that they can be handled using simple and precise techniques.

Learning How to Learn shows how to spot and handle them.

This book is part of a series of educational texts based on the works of L. Ron Hubbard, renowned humanitarian, author and educator. His research led to many breakthroughs in the fields of literacy and education. His study technology is used by over one million students and teachers in schools and groups throughout the world. For students 6-11.
