Legal Research Methods in the U.S. & Europe: Second Edition J. Paul Lomio, Henrik Spang-Hanssen
This book is a legal research guide that addresses the internationalization and globalization of both the new curriculum for law schools - especially in the U.S. - and the practice of law. The book covers the subject of legal research methods in the U.S. and Europe in a depth and detail not found in other works. It can be used as a treatise on the subject or a textbook for a foreign and international legal research class. This second edition includes more research tips and a revised Chapter 4 with a special section on the EU's Treaty of Lisbon. This edition also includes a teachers' manual as a companion to Chapters 3-7.
