## **Out of the Whirlpool** Sue Wiygul Martin

In the author's words . . . When I graduated in 1978 from the University of the South, I cherished the ideal behind the inscription in Sewanee's university seal. Ecce quam bonum-the first lines of Psalm 133, "Behold, how good it is." But as I entered the adult world of commerce and culture, there were too few times when I actually beheld the good. The world seemed far too harsh to me, so full of inequality and conflict. I had to dig deep for the strength and determination to keep going. Thirty-five years later, however, my perception of that collegiate instruction-to see the good-carries a very different meaning. Struggle, controversy, disappointment are integral to life, certainly, yet, within the nature of that harsh reality, I now also find bright dimensions of meaning and hope. Joy and love are, in fact, ever-present in our circumstances . . . whatever those circumstances may be. Sue W. Martin, eqb, September 2013

~~~~~ Sue Wiygul Martin has written a deeply honest and moving account of the rebuilding of her life after a desperate, impetuous act in her youth ended in traumatic blindness. So, fasten your seat belts. Sue Martin would like to take you on a wild ride through this life of hers. Get ready for some joy, sorrow, beauty, a few cosmic slaps of enlightenment, and a thousand other thoughts and feelings along the way.
