## Dreams of West: A History of the Chinese in Oregon, 1850-1950

Jointly created by the Chinese Consolidated Benevolent Association and history students at Portland State University, this bilingual (English/Chinese) history fills a long neglected gap in immigrant history on the West Coast. In four sections, each devoted to a geographic area of Oregon, the rich-often tragic-history of the Chinese is detailed through well-researched text and a wonderful collection of photos-many from private collections not previously seen by the public.
