No Boundaries: A Novel Allison Hobbs

A cross between *Shades of Grey* and *Z-Rated*, *No Boundaries* takes readers on an unforgettable journey as a young law school graduate stumbles into an alternative lifestyle full of naughty pleasures.

Just out of law school, Jaguar is deep in debt and takes a bartending job as an easy way to make money before he gets on the fast-track of corporate law. Meanwhile, slinging drinks does have its perks: free booze, big tips, and plenty of women hitting on him constantly. He's not looking for love, only a little fun to forget his troubles.

But when he meets a mysterious beauty named Fonia, Jaguar is intrigued. Handsome and confident, Jag has never had problems attracting the opposite sex, but Fonia is elusive and presents a challenge.

An old friend offers Jag an opportunity to make extra cash bartending at a private party. But the party is nothing like Jag has ever experienced. Not even the wildest frat party could compare to this extravaganza where no pleasure is forbidden.

But the biggest shocker comes when Jag realizes that Fonia is heavily into bondage and submission. She belongs to a dominant master and Jag hates to watch her surrender to her deviant lover. Fonia has captured Jag's heart, and over time he tries to convince her to break away from her brutal lover and understand that true love should never hurt.
