Romanian Furrow: 'Touches the Very Soul of Rural Romania' Donald Hall

Romanian Furrow, written in 1933, is an enchanting and evocative chronicle of a journey made by a young Englishman, Donald Hall, to Romania in search of a rural lifestyle that was rapidly disappearing in Western Europe. Hall's account of rural life in Romania—surprisingly much of which has survived today—admirably meets the reading requirements of Green or Eco tourists, a market segment that Romania is investing much of its tourism budget to attract.
