Today's 24–7 prayer movement is an international, interdenominational network of prayer which has grown unexpectedly from one prayer-room in England to impact 60 nations in just six years. This phenomenal movement is putting Christ-centered, mission-minded prayer back at the heart of communities all over the world. Now you can be part of it.

Hundreds of North American churches and universities have established night-and-day prayer rooms. The *24–7 Prayer Manual* describes step-by-step how you can experience the power and release the potential of 24–7 prayer in your community. There are no rules—only principles that help create an environment conducive to prayer. Let your church become a vital link in this international prayer movement.
