The Big Picture is a gospel-centered book for teenagers and young adults that tells the story of the God who has always been with man and, through his Son and Spirit, always will. Best-selling authors Hayley and Michael DiMarco guide readers to be more aware of God's presence with us today and better sense His call for us to make disciples of all nations.

The gospel didn't begin in the New Testament. It was there, "In the beginning," at the genesis of everything. Across the whole of human history, God's grand narrative of love and redemption has been unfolding, a love gloriously displayed at the cross. This is the story of Jesus, and all history and Scripture point us to this good news.

Teenagers live in a world defined by pressure—and with no shortage of opinions on how they should handle it. In *The Big Picture*, teens will develop a bigger perspective of Scripture and how the story of Jesus Christ ties it all together and how He should be our main focus. Nothing brings life into focus like the gospel!
