## **Unlikely Passages** Reese Palley

Unlikely Passage is a sailor's manifesto. Palley gave up a successful career as an art dealer while in his late 50s and embraced retirement with a vengeance. He sailed away in his ship Unlikely and circled the globe. In doing so, he created his own universe—a small boat in a large ocean. Through a series of humorous anecdotes and illustrations, insightful observations, and practical information, Palley expounds his unique sailing philosophy.
