Maria is illiterate, and Cosmo, the village postman, is obliged to read the love letters he delivers to her. He stammers over the words and blushes at the feelings he cannot bring himself to voice. However life is not always predictable and a sudden twist in events throws him in the role of village hero. But will this change be enough to enable him to overcome his shyness and declare his feelings to the woman he has loved all his life, and will she even be interested after all these years?
