I've been Forex Trading for 20 years, firstly in New York and now in central London and it has changed my life. Trading Forex has never been easier! You can trade anywhere - with apps and trading platforms readily available for every phone, mac and PC. However this doesn't mean trading is easy. There are two vital facets to trading. The first is the learning the skills to trade. This is actually something which like any other trade or skill should be honed and worked on to continually improve. Your trade training and knowledge should never end. The saying, knowledge is power certainly applies here. The second element would be developing the mindset of a trader. The means through which traders can develop the proper mentality when trading, why emotional management is critical to successfully trading on the Forex market. These aspects of Forex trading will be discussed in depth in the other chapters that follow but for now, we tackle the basics pertaining to Forex trading as a money making entity. Day trading is highly profitable and highly tumultuous. Moreover, the financial markets have changed considerably in recent years.
