Integral Methods in Science and Engineering

Faculty of Engineering, University of Alberta; Faculty of Science, University of Alberta. As on previous occasions, advice and general guidance were provided by the International Steering Committee. The next IMSE conference will be held in August 2002 at the University of Saint-Etienne, France. Details concerning this event can be found on the VVEB page <http://www.wean.univ-st-etienne.fr/imse2002/index.htm>. This volume contains five invited papers and thirty-five contributed papers accepted after peer review. The papers are arranged in alphabetical order by (first) author's surname. The editors would like to record their thanks to the referees for their willingness to review the papers, and to the staff at Birkhauser Boston, who have handled the publication process with impressive efficiency. But, above all, they are indebted to Edward McDonald, Alan Morrison, and Alan Bryden for their help in the preparation of the typescript.
