Atlas of Prejudice: The Complete Stereotype Map Collection Yanko Tsvetkov

More than a hundred stereotype maps glazed with exquisite human prejudice, especially collected for you by Yanko Tsvetkov, author of the viral Mapping Stereotypes project.

Satire and cartography rarely come in a single package but in the *Atlas of Prejudice* they successfully blend in a work of art that is both funny and thought-provoking. A reliable weapon against bigots of all kinds, it serves as an inexhaustible source of much needed argumentation and—occasionally—as a nice slab of paper that can be used to smack them across the face whenever reasoning becomes utterly impossible.

This second edition packs the most extensive collection of Tsvetkov's maps to date in a single book suitable for all ages, genders, and races.
