Charade

Gilbert Morris

Charade Gilbert Morris

A beautiful woman. A savage betrayal. The perfect payback. But is revenge enough? Ollie Benson's computer program, Moviemaker.com, explodes onto the market, thrusting him into a world of glamour, fame, and fortune. He's extravagantly rich. But he's still obese and desperately miserable---until he meets a woman who loves him for who he is. Or so it seems. When the two people Ollie trusts the most betray him in brutal fashion, he constructs an elaborate plan for revenge. It's brilliant. It's perfect. There's just one glitch: Ollie is about to come face-to-face with the power of true, unconditional love. It could change his life. Or end it.

From reader reviews:

Paul Blecha:

Nowadays reading books become more than want or need but also work as a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book this improve your knowledge and information. The information you get based on what kind of publication you read, if you want attract knowledge just go with education and learning books but if you want experience happy read one using theme for entertaining like comic or novel. The actual Charade is kind of book which is giving the reader erratic experience.

Kathleen Young:
